Childloss.com

A Christian-based web site offering email support, chat schedules and 24 hour paging. They also design, free of charge, full web pages for those that have lost children. A listing is available of support volunteers, that are available around the clock, to help others with a particular type of loss. The site also offers a poetry page (new), in which others can post a poem in memory of their lost child. The site consists of two parts: one for infant/pregnancy loss, and another for all types of loss, for children of any age. www.childloss.com

A Place to Remember
